

## **Children's Product Certificate**

| PRODUCT COVERED BY THIS CERTIFICATE: | Item Name/Number: 7200063, 7200065, 7200067, 7200069, & 7200070  |
|--------------------------------------|--|
| TROBOCI COVERED BY THIS CERTIFICATE. | Description: Magnetic Whiteboard Eraser (solid rectangle), bulk  |
|                                      | Manufacturer's Lot Code: NN 0518   |
| AGE GROUPING:                        | Labeled Age Appropriateness: Ages 3+/Grades PreK+  |
|                                      | Tested Age Grading: Ages 3 and over  |
| STANDARDS, REGULATIONS & LAWS        | ASTM F963-17: Standard Consumer Safety Specification on Toy Safety   |
| COVERED BY THIS CERTIFICATE:         | Requirements.  |
|                                      | Physical and Mechanical Requirements   |
|                                      | Material Quality* (visual examination)   |
|                                      | 2. Flammability Test.  |
|                                      | 3. Heavy Elements.   |
|                                      | 4. Accessible points & edges.  |
|                                      | 5. Simulated protective devices.   |
|                                      | 6. Safety Labeling Requirements.   |
|                                      | 7. Age Grading Labeling.   |
|                                      | 8. Small objects, small balls, marbles & balloons.   |
|                                      | 9. Producer's markings.  |
|                                      | 10. Test Methods: normal use, impact, torque, & tension tests  |
|                                      | Heavy metal content.   |
|                                      | 1. Toy substrate materials.  |
|                                      | Total lead content in substrate.   |
|                                      | ILC CROIA Paradiaments   |
|                                      | U.S. CPSIA Requirements.   |
|                                      | 1. Section 101 (a) (2): Total Lead Content in accessible substrate   |
|                                      | materials.   |
|                                      | 2. <u>Section 108</u> : Total phthalates.  |
|                                      | Financia Standard on Safatu of Tona (Financia Directive 2000/48/FS)  |
|                                      | European Standard on Safety of Toys (European Directive 2009/48/EC)  |
